

futurebuild

The future of the built environment is here

Where? London during the Futurebuild.

When? Wednesday 6th March 2019

Who should attend? The event provides the perfect forum for potential partners, both visitors and exhibitors, to pre-arrange meetings and capitalise on UK and International construction opportunities such as energy efficiency and recycling. The relevant sectors are:

- Energy efficiency
- Low carbon energy
- Materials
- Urban infrastructure
- Off-site

What's in for you as a potential participant? Futurebuild is the evolution of Ecobuild. This event is an excellent opportunity for specifiers, suppliers, contractors and distributors to discover new and innovative products and services from the international marketplace and a chance for product manufacturers, service providers and sub-contractors to meet construction professionals including architects, contractors, distributors, agents, builders' merchants, research centres and universities.

- Visit the stands at the [FUTUREBUILD Fair](#)
- Attend the [B2B at FUTUREBUILD](#)

Registration open until 1st of March 2019
